TUCK'S POST CARD

CARTE POSTALE

The Meeting of the Waters, famous in art, verse and prose, is the spot at Killarney where the Long Range divides itself into two portions, the one running into the middle or Muckross Lake, and the other into the Lower Lake. The Old Weir Bridge, which is close by, connects Dinis Island with the mainland; it consists of two arches, but only the one which leads into Muckross Lake is navigable.
